BAR HILL FETE - SEPTEMBER 12th

The Village Fete this year is being held on September 12th, the proceeds being used to replace the duplicator so we may continue to print and publish the Bar Hill News, something which is of benefit to every person in this village.

I hope that I've contacted all village organisations with respect to having their stalls at the fete. The response to the form letter has had moderate success. If there are any organisations still wishing to have a stall please contact me as soon as possible. Trestle tables will be available on the morning of the fete so will you please come along, take your tables and set up your stalls. There is no definite layout but generally we'd like to keep the fete compacted around the Village Hall.

There are several attractions this year and various competitions. I'd like all grandmothers to come along and enter our glamorous grandma contest, with 1st prize of dinner dance for two being kindly donated by the Cambridgeshire Hotel; the event is also being sponsored by Jon Marc Hair Design. We're having a baby show with sponsorship from Boots and Johnsons & Johnsons. Our perimeter road race is on again this year with sponsorship by Reckitts and Coleman.

This year we also include an exemption dog show with proceeds towards the Wood Green Animal Shelter, details inside.

We are of course including a grand draw with the major prize of a Goblin Teasmade.

So as you can see there's something for everybody at the fete. I hope that you'll all come along and support your Village Fete. If anybody wishes to be of any help, please contact me at Cambridge 60133 or Crafts Hill 81288.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 21st July in the Committee Room in the Village Hall.

Bend on to flyover.

It was reported that the Residents' Association were still concerned about the potential hazard posed by the sharp bend on to the flyover from the A.604 southbound. It was agreed that their suggestion of warning chevrons was the best solution to the problem and the Parish Council will take the matter up with the County Council.

Allotments.

The Parish Council was pleased to agree to a request from the Allotments and Gardens Society for support in the installation of a water supply to the allotments site. The Parish Council will approach the building contractors currently working in the adjacent area to see what assistance can be given in this matter. The Council were also very pleased to hear of the Society's intention to plant trees on the perimeter of the allotments site and will try to obtain suitable young trees for this purpose.

Fair.

A discussion took place about a request from a fairground showman to hold a Village Fair in Bar Hill. It was agreed that the Parish Council were in general in favour of the idea but that a good deal more information would be needed before a suitable site could be decided upon.

BAR HILL TOY LIBRARY

At our recent Extraordinary General Meeting a resolution was passed to amend the Toy Library's constitution to allow an increase in the number of Committee members. We would like to welcome our new committee members - Jenny Gant, Shirley Essex, Daphne Impey and Kathy McCunn.

We have now moved to our new home in the Farm House, and in December Toy Library sessions will be held on 4th December and 18th December. However, would all members please note that the session on 18th December will be for the return of toys only, and no toys will be lent out on that date. We feel that it is probably better for Toy Library equipment not to be lent out over the Christmas period (Father Christmas might get confused!) and we are therefore taking the opportunity to check, clean and repair them where necessary. We would like all Toy Library toys to be returned on 18th December, so would all members who have borrowed toys from the Library please make sure they are returned on that date. The Toy Library will be open for business as usual again on 8th January.

In the interests of safety, particularly that of the children at the school, would those people who come to the Toy Library by car please park near the telephone box and walk the last few yards to the Farm House, instead of driving all the way up the track. With the dark winter evenings, it is not always easy to see children crossing the track and the fact that cars coming to the Farm House have to cross the spine path presents a danger to pedestrians. Thank you for your co-operation.

This seems to be a very opportune time to ask if anyone whose children are given toys similar to those in the Toy Library, and who does not want to keep the box, would please let the Toy Library have them. Replacing broken or damaged boxes is one of our biggest problems, so any help you may be able to give would be much appreciated. We particularly need boxes for almost any of the Fisher Price toys, but if you are in doubt as to whether the Toy Library has a particular toy, please ring me. We will willingly come and collect the boxes. Thank you.

We would like to wish all the children in Bar Hill a very happy Christmas and we hope that Father Christmas will bring you the toy you have set your heart on! However, if he doesn't, why not bring Mum along to the Toy Library in the New Year ? We may be able to help!

BAR HILL PLAYGROUP

December is here and with it all the Christmas activities. There will be a short carol service for the under 5's and their mums and dads on Friday 11th December at 2.00 p.m. in the Church - not the Village Hall as previously stated. The service will be led by Mrs. Pam Read.

The children's Christmas parties will be on Tuesday 15th and Wednesday 16th December from 10 am until 12 noon. You will be notified at a later date which party your child will be attending.

We would like to thank everybody for their support at the Christmas Fayre. Also for everyone who has helped distribute the Webb Ivory Christmas catalogue, or who has ordered from it. Fundraising is vital for Playgroup to survive and maintain its very high standards, without charging too high fees.

The start of a new term after Christmas means a new Mother-helper rota. If you can spare a morning or afternoon once a week or fortnight to help at Playgroup, especially if your children are over 3 or better still at school, I would be very grateful. We are governed by social services and cannot operate without a ratio of one adult to six children.

If you haven't already got your ticket, remember the Playgroup Disco on SATURDAY 12th DECEMBER at the School. Tickets are on sale from Playgroup or any Committee member at £2.50 each, this includes a cold buffet supper. Please come and make a very enjoyable evening for everyone.

Playgroup will close on Wednesday 16th December and re-open on Monday 11th January. We will be receiving 16 new children during the first two weeks of term.

We would like to take this opportunity of wishing everybody a very Merry Christmas and a Happy New Year.

BAR HILL NATIONAL HOUSEWIVES REGISTER

Our 'open meeting' at the end of October was well attended and plenty of ideas were put forward for next year's programme. On 12th November we had a very interesting talk given by Mrs. Van Oosterom about Handicapped Children, giving us an insight into their world. Hopefully we are now better prepared for when we come into contact with such children and will not turn our backs and ignore them.

Our meetings for the next month are as follows :-

Saturday 5th December : Meal Crawl, details of which may be obtained from Lesley Turney, C.H. 80739.

Thursday 17th December : "What does Christmas mean to me ?" Bring along an example. Members will also be talking of their experiences of Christmas spent abroad. At Alison Stockle's, 71 Appletrees, 8 pm.

Monday 21st December : (Tuesday 22nd if wet!) Carol singing around the village. Anyone who wishes to join our group is most welcome. We will meet at 7.30 p.m. at 84 Pheasant Rise.

The first meeting of the New Year is on Tuesday 5th January when we will have a quiz evening at Josie King's, 112 Appletrees. One of the quizzes we will play is entitled "Botticelli" - fun to play but difficult to explain so come along and learn a new game.

Anyone wishing to know more about our group is welcome at any of the meetings and you can find out more by contacting me,

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 13th June in the Village Hall.

Planning application for extension to Tesco Store

The Parish Council considered in detail the application for planning permission to extend the Tesco store. It was eventually agreed to accept this, subject to several conditions relating principally to landscaping, provision of trolley parks and litter bins, and satisfactory footpath access to neighbouring areas. The main point at issue was the proposed vehicular access to the New Garden Centre car park, with several reservations being expressed as to the safety and convenience of the proposed route. The Parish Council have asked for road safety experts to be consulted on this point and a new traffic system to be designed if necessary.

Drainage of the Village Green

The Clerk reported that this had now been completed, except for several rutted areas which needed attention to restore them to a satisfactory condition. There have been no major problems during the construction of this extensive new system, and it is confidently expected to prove very successful in draining the Green.

Dumping of Rubbish

The Parish Council's maintenance staff are working very hard to landscape several areas of the village, but have been hindered in this task by a few residents who have unfortunately dimped rubbish on the newly rotivated areas. We would ask villagers to help Mr. Binge and his staff as much as possible by taking their garden rubbish to the skip behind the farmhouse and generally keeping the village as tidy as possible, so that the maintenance staff do not have to spend time, which could be far more usefully employed on other jobs, picking up rubbish. Thank you.

Additional Parish Councillors

With the constantly increasing population of Dar Hill, it is probable that in the near future we will need a larger number of parish councillors. Perhaps villagers would like to think about serving on the Parish Council and putting their names forward for nomination. If you would like to know more about the work of the Parish Council and what is entailed in becoming a Councillor, please talk to any member of the Parish Council or telephone the Deputy Clerk, Christine Avery, on Crafts Hill 81288. Members of the public are also most welcome to attend meetings of the Parish Council, which are held on the third Tuesday of each month in the Committee Room in the Village Hall, starting at 7.30 p.m. The next meeting will be held on Tuesday 21st July.

BAR HILL PLAYGROUP

Well, the new committee can breathe a sigh of relief now that their first fund raising event is over. Thank you everyone, for supporting the Fashion Show by Dorin showing her clothes from the boutique above Jon Marc. The evening was a great success thanks to all the hard work of many people, and after a few initial problems all went very smoothly. THANK YOU everyone who helped in any way at all especially the models (Rose Sargeant, Viv Smith, Lynn Dibden, Sue Hilton, Pauline Harris, Sylvia Gibbs, Tracy Holgate, Ann Bradie, Lynn Smith, Geraldine Brett, Wendy - from Longstanton and Sue Turner). We would also like to thank Viv for all her hard work on the committee over the past months.

The next event to look forward to in the Playgroup calendar is the Sports Day, this year to be held on the afternoon of July 17th., when we hope the sun will shine. It is hoped that the Althea Mobile Bookshop will be there. We look forward to seeing you then.

Some people have had a Webb Ivory catalogue through their door and we would like to thank them for their order as sales from this catalogue will raise funds for Playgroup. If you have still got a catalogue which has not been collected (perhaps it has been put on a shelf and forgotten) could you either take it to, or contact:-

Chris Goodman, 51 Pheasant Rise 80762
or Jane Gedny, 84 Hollytrees 81171

Thank you. If you haven't received one yet hopefully you'll be able to look at one soon.

If your child will be three years old soon is his or her name down on the Playgroup waiting list? Playgroup numbers seem to be ever increasing and it does help the administration if we know how many children to expect each term. If you wish to increase the number of sessions your child attends could you let either Sue Turner or one of the supervisors know as soon as possible. Playgroup does have a number of free places available for families in financial need (perhaps you have just been made redundant or are working a 3/4 day week?) If you find it hard to pay your fees or cannot afford another session for your child PLEASE TALK TO ONE OF THE SUPERVISORS - your enquiries will be treated in total confidence. We do not usually refund fees for sessions not attended. If absence is for an extended period however, (usually over a month) some consideration may be given to your case.

We hope to see you on July 17th and we wish you all a very happy holiday if only the sun would shine.

Jane Gedny

BAR HILL TODDLER GROUP

Do you have a child aged between 18 months and 3 years? If so, do you know that Bar Hill Toddler Group holds five sessions each week during term time for mothers (or fathers!) and children to meet and play together in the Church Centre? The sessions are on Mondays and Fridays from 10.00am until 11.30am or 1.30pm until 3.00pm and Thursday from 2.00pm until 3.30pm. A wide range of activities are provided for the children including painting, glueing, sand and water play, dough, Lego, puzzles, construction games, a climbing frame and slide, books to read, a toy garage with lots of cars and a "home" corner with a toy cooker, table and chairs and dolls' cots and prams. A cup of tea is provided for the Mums and orange squash for the children. All this for just 35p per session!!

There is a very friendly atmosphere at toddler group and newcomers are made very welcome. We do emphasise that it is a Mother and Toddler Group and that we encourage mums to spend the time playing with their children, but there are plenty of other mums to talk to as well and it's an excellent way of making new friends! Getting your child used to playing in a group with other children is also one of the best ways to prepare him or her for Playgroup and then school.

If you would like to come to Toddler Group with your child, please contact either our Toddler Group supervisor, Jo Hall at 11 Almond Grove (tel. 80304) or Chris Avery at 23 Foxhollow (tel 81233). We will be very pleased to hear from you.

BAR HILL TOY LIBRARY

At the Toy Library's A.G.M. on 27th May the following committee was elected:

Chairman	Barbara Hastings
Secretary	Chris Avery
Treasurer	Sue Elphick
	Barbara Holgate
	Pauline Kember
	Sue Gray
	Jane Gedny

Since then Jane has unfortunately had to resign and June Taylor has been co-opted to the committee in her place,

During the next month the Toy Library will be open from 2.15pm until 4.00pm in the Health Centre on 3rd. July, 17th July, and 31st. July.

As promised in last month's News here are details of our next fund raising event! (Pause while everybody groans.) On Saturday 11th July, starting at 2.00pm we shall be holding a sponsored Trundle. Children are invited to bring along their bikes, scooters, tricycles, doll's prams, baby walkers etc. and pedal, scoot, push or generally trundle them around the school playground. To avoid accidents there will be a separate course for the under-twos and the rest will be split into age groups. There will be a maximum of 20 laps (or in the case of smaller children, a time limit of 10 minutes). Sponsor forms are available from Playgroup, Toddler Group or 57 Hollytrees. We hope that as many children as possible will take part and have lots of fun raising money for the Toy Library. Our thanks also to Mr. Norton for kindly agreeing to allow us to use the school playground.
